## ANDREW PAGLINAWAN

Born 04/10/1982

### Personal Statement

I have been using computers for almost 12 years & I have gained an excellent knowledge in areas of design, computers & the internet. I am very passionate about the industry I am involved with & love the idea of constant learning and having fun at the same time.

I see one of my major strengths being my adaptability. I am able to jump easily from being a designer, to a coder, to software & hardware technician, to decision maker. This adaptability can also be seen in my design work where I am able to handle any task I'm given, be it web, multimedia, branding or print.
